Connecting to Nature is the Focus for a First-Ever Live Online Feng Shui Training and Mentoring Program

Saint James, NY – Founder and owner of Re-Nature Consulting, LLC, dba Luminous Spaces Feng Shui, Maureen K. Calamia launches a brand-new live online training and mentoring program for feng shui consultants. This program is the first of its kind in that it incorporates a strong theme of “Re-Connecting to Nature” with a focus on environmental and eco-psychology, as well as human and earth-friendly topics of toxin and stress-free environments.

This 12-month program provides participants with group and private mentoring sessions to support their advanced training topics as well as client consultation and business marketing skills.

In addition, three-month modules will be open to the feng shui public, for training in any of the four “hot topic” areas:

Module 1 – Three Most Common Client Issues: Wealth, Relationships, and Career

Module 2 – Human Psychology and the Environment

Module 3 – Healthy Homes/Healthy Clients

Module 4 – “Power” Tools

The live, online program starts April 28th, with rolling enrollment as required throughout the year.
